VMAC PROMOTES SANDRA AMADOR TO CONTINUOUS IMPROVEMENT DIRECTOR

NANAIMO, BC - April 6th, 2017 - VMAC is welcoming Sandra Amador to the position of Continuous Improvement Director, providing leadership, guidance, coaching, and project management support. With a focus on quality assurance, implementing LEAN methodologies, and fostering positive cultural transformation throughout the organization, the Director of Continuous Improvement is responsible for leading VMAC's Quality Assurance team.

This promotion recognizes Sandra for her significant contributions to VMAC's Quality Management System, LEAN journey, and process improvements, including maintenance of ISO 9001 compliance, and recertification to the latest ISO 9001-2015 standard.

"Sandra's experience and proven record of continuous organizational improvement and quality assurance focus makes her the ideal fit for this role", says Tod Gilbert, VMAC's Executive Vice President. "We're pleased to have Sandra accept this new position, and I can't wait to see the positive impact she will make in VMAC's journey for continuous improvement."

Sandra has an impressive and varied background as a Quality Manager, Certified Quality Auditor, Chemical Engineer, Project Manager, and Process Improvement leader, with close to 20 years of experience. Before joining VMAC almost 3 years ago, Sandra worked for over 12 years at Praxair Canada as Quality Standards and Validation Manager where she held a variety of responsibilities including training and leadership in quality assurance and change management.

"Change is a fact of life, to me change equals opportunity to grow and succeed;" Sandra notes, "as a Quality professional I consider myself an agent of change and I am excited about this new opportunity with such a great group of people, our VMAC coworkers. I am looking forward to working alongside every single one of them to continue our improvement mission, our cultural transformation, and our daily customer focused journey."
