

FOR IMMEDIATE RELEASE

VMAC To Host Celebration Luncheon & VIP Tour In September 2019

Nanaimo, B.C. — VMAC is hosting a celebration luncheon and VIP tour at their facility in Nanaimo, B.C., on Friday, September 13th, 2019. The event is to celebrate VMAC recently being named one of *Canada's Best Managed Companies* and receiving *Great Place To Work* certification.

"The VMAC team is proud to be recognized for the work that has led to these achievements and we want to share our celebration," explains Tod Gilbert, VMAC's President. "We are excited to welcome our esteemed guests to our facility for a VIP Tour that gives a behind-the-scenes look into a proud Canadian lean manufacturing operation. After the tour our guests will enjoy a casual and friendly networking luncheon, with a speech from the Minister of State for Trade, and a special presentation of the Canada's Best Managed Companies award."

VMAC's VIP Tour and Celebration Luncheon will give attendees the unique opportunity to help celebrate a local business success story and see modern manufacturing in action. VMAC is a technology-driven operation that ships air compressors all over the world, allowing the company to offer secure, good-paying jobs on Vancouver Island.

Attendees include provincial and municipal government and industry representatives, media, educational institutions, VMAC Authorized Dealers and other manufacturing companies.

"We've already confirmed many guests, including the Minister of State for Trade, Nanaimo Mayor and City Councillors, reps from the Vancouver Island Economic Summit, the National Research Council of Canada and educational institutions including BCIT and VIU," says Anne Fortin, Public Relations.

By hosting this celebration luncheon & VIP tour, VMAC looks forward to sharing its accomplishments and unique lean enterprise culture with guests, all who continue to play important role in supporting VMAC's quest for growth and sustainability, which brings major economic benefits to the community and Canadian manufacturing sector.

##

About VMAC

VMAC is the leader in compressed air innovation® and one of the only true air compressor manufacturers in North America. An award-winning organization, VMAC was named one of Canada's Best Managed Companies and Best Workplaces™ in Manufacturing for 2019 and is Great Place To Work Certified™. With over 30 years of history, VMAC's mobile air compressors and multi-power systems have earned a reputation for extraordinary design, build quality, durability, and reliability in extreme conditions among operators and fleet managers worldwide.
