VMAC TO HOLD MEDIA EVENT AT NTEA'S THE WORK TRUCK SHOW ON MARCH 7TH At 4:15 PM

Nanaimo, BC, January 15th, 2017 – VMAC, the leader in mobile compressed air innovation, invites media and VMAC dealers to their booth for a special company announcement and to receive exclusive details on four new VMAC products. Following the presentation, attendees are invited to stay for a reception with a selection of refreshments. The event will take place at NTEA's The Work Truck Show in VMAC's booth #3677 at 4:15 pm on Wednesday, March 7th, 2018.

"We're very excited to host our kick-off event at the end of the first day of The Work Truck Show," says Gordon Duval, VMAC's VP of Marketing & Sales. "For over 30 years VMAC has been known throughout the industry as the market leader for innovative mobile compressed air, and we're eager to announce the next phase of our corporate branding, as well as introduce our latest innovations, new air compressors and multi-power systems."

During the media event, members of the press and VMAC's dealer network are invited to get a first look at four new products. "For the second year in a row VMAC will be announcing 'world's first' innovations that we believe will have significant and positive impacts for work trucks, as well as for the emerging van market" says Mr. Duval. "Customer demands and market trends are evolving more than ever, and VMAC's in house design, engineering, and manufacturing capabilities enable us to be the responsive innovator that customers are looking for today."

VMAC invites members of the press, authorized VMAC dealers, truck body builders and upfitters, as well as those interested in learning more about the new VMAC products, to this media event. The presentation will take place on Wednesday, March 7th at 4:15 pm in the VMAC booth #3677. Visitors are invited to stay for after the presentation when a selection of beer, wine, and water will be served.
